As digital channels continue to grow in popularity, Kostuch Media Ltd. continues to provide more varied digital products for our readership.

Late last year, KML introduced two new podcasts – Table Talk is designed for the foodservice-and-hospitality market, and features lively discourse between Rosanna Caira, editor and publisher, and some of the industry’s leading restaurant owners and operators, as well as chefs, suppliers and associations, while Checking In takes the pulse of the hotel industry with one-one-one interviews with hotel owners, executives, hoteliers, analysts and suppliers.

MARCH/APRIL 2019 | 27
In an increasingly connected world, the popularity of events continues to grow. Over the years, KML has become an important player in producing immensely popular industry events. Whether it’s through our signature Pinnacle Awards, our Icons & Innovators Breakfast series, the Housekeeping Forum, the Women in Tourism & Hospitality Summit, KML offers a collection of extraordinary events that provide attendees with face-to-face access to the industry’s movers and shakers, all the while providing sponsors with the opportunity to connect directly with potential customers.

In this new COVID-operating environment, some of our events may have to migrate to virtual events until government restrictions are lifted.

In 2016, Hotelier launched the Housekeeping Forum, an all-day conference highlighting the trends and issues impacting this pivotal and ever-changing hotel department. The Forum, which also features a mini tabletop tradeshow, gives attendees a chance to share best practices, learn from the industry’s best housekeepers and become informed about new products and practices that will make this important department more efficient and profitable.

The Icons & Innovators’ Breakfast Series was launched in 2012 and features candid one-on-one conversations between editor/publisher Rosanna Caira and industry luminaries. Every year, KML hosts a Spring and Fall Icons session featuring a foodservice and a hotel icon.

The Women in Tourism and Hospitality Summit and WITHorg (developed in partnership with Sequel Hotels & Resorts) is dedicated to the advancement of women in the tourism and hospitality industries. The conference brings together industry thought-leaders sharing personal and professional stories highlighting their unique paths to success. Development of individual and corporate best-practice strategies will be shared and innovative initiatives and experience with other successful global executives curated and revealed.

Launched in 1988, the Pinnacle Awards are the “Oscars” of the dynamic $90-billion foodservice and hospitality industry. This annual luncheon event, typically held the first Friday of December, brings together more than 500 of the industry’s top executives to network, exchange ideas and celebrate the accomplishments and achievements of stellar restaurant and hotel operators and suppliers.
